

United States Embassy La Paz, Bolivia
Security Message for U.S. Citizens: *Road Blocks in Bolivia*
August 11, 2016

The U.S. Embassy in La Paz has received multiple reports that groups of protesting miners are blocking main roads and highways throughout Bolivia. These protests may continue to impact ground transportation throughout the country. The blocked roads and highways include popular tourist routes to/from Lake Titicaca and the salt flats in Uyuni. If you plan to travel by car or bus in Bolivia, carry extra food and water and be prepared for significant travel delays.

Even demonstrations intended to be peaceful can turn confrontational and escalate into violence. Avoid areas where demonstrations are taking place and exercise caution when in the vicinity of any large gatherings, protests, or demonstrations and monitor local media for updates.
